**Recommendation from the Christ Church
Congregational Regathering Committee:**

The CRC at CEC is proposing that the church return to live-streaming worship with a maximum of five or six people in attendance: Officiant and/or Preacher, Lector, Choir Director, Organist, and Ministry Intern on or after Sunday, February 14, 2021.

Due to Cape Girardeau County not currently meeting the Bishop's criteria for regathering per the *Updated Guidance for Regathering* (Sept. 1, 2020) we are not recommending that the church transition to in-person worship, even at the reduced amount of 20% of maximum capacity per the February 4, 2021 letter from the Bishop's office, at this time.
